**Back to school:
Joy or Torment?**

Although the start of a new school year can be an exciting time, it is also a stage that exposes children to different hazards in schools.

This seminar is specifically designed to guide and raise awareness to parents and children about the world of gangs and other school hazards. Come and learn how to identify the warning signs that might indicate if your son or daughter is associating with gang members.

Also learn more about the prevention resources that you can use to help your children to avoid gangs and maintain a positive path thorough their adolescent years.

Knowledge, Preparation and Prevention are your best friends.

Come share with us, and get informed.
